**Dear Visual Arts Specialists,**

We are currently planning our next Silverstein Memorial Exhibition, highlighting the artwork of Boston Public School Students. This exhibition is being planned for **March 23<sup>rd</sup> - April 16<sup>th</sup> 2010.** This is an exhibition that we organize and install every other year.

As in past exhibitions, we will professionally frame the works, provide a show postcard and have a reception for the students. In addition, the Silverstein Memorial Exhibition is always a long awaited show here at Wheelock because it acts as a wonderful learning tool for our students.

Please contact me via email by **November 20, 2009**, if you are interested in having your students participate in this exhibition and I will send you a form to fill out. I will be accepting the schools on a first-come-first-serve basis and will stop the acceptance process after the first 10 schools contact me. Unfortunately the gallery is limited in space.

I have always greatly appreciated the interest in this project and I look forward to hearing from you. I can be reached at: [elicea-kane@wheelock.edu](mailto:elicea-kane@wheelock.edu)

Please feel free to contact me with questions.

Best,

**Erica Licea-Kane**
